FROM OREGON  
Tillamook Medium  
Cheddar Cheese

**7.99** lb

A century in the eating, Tillamook Medium Cheddar is still made from the same recipe, used for over 100 years. While the equipment might look a little different these days, Tillamook uses only four simple ingredients and age every batch naturally for at least 60 days. No wonder it was voted 'America's Best' at the 2015 International Cheese Awards.
